### Adastra Y5 After School Club

Dear Parents and Carers

We are delighted to announce that this year we are continuing to work with Adastra. Last term they supported our Y6 children but during the Spring Term they will be working with our Y5 children. We are excited to provide you with details of their after school club, which is available to all Y5 children from now until Easter. Michelle and Rachael have planned a series of activities to support well-being and peer support. The sessions will include a variety of activities such as crafts, dance, problem solving and team building.

The sessions will run every Tuesday from 3.20-4.30pm from next Tuesday, 13<sup>th</sup> January until Easter. There will be light refreshments included. Initially, due to the darker evenings your child will need to be collected from school. However, after February half term, with your permission, they can walk home alone. If you wish for your child to attend, please complete the form via the online link below.

[Adastra Y5 After School Club Spring 2026 – Fill out form](#)

We very much hope your child will be able to participate and join the sessions. Michelle and Rachael are looking forward to meeting and working with our Y5 children.

Your sincerely

Mrs Sanderson
