TT Rockstar Competition

2nd February 2026

Dear Parent/Carer,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools across the UK. This Friday, 6th February, we are excited to be joining in with the NSPCC Rocks Competition again this year. For a donation of 50p towards the valuable work of the NSPCC, we are asking children to come in non-uniform and would really love it if everyone could come to school dressed as 'rockstars' to support our celebrations.

All of our KS2 classes will log on and compete during the day with their fast number recall and we'd like KS1 and FS to still join in by dressing up and taking part in fun number games in their classrooms. We are so grateful for your ongoing support by encouraging children to log on to build their times table fluency and confidence every week at home.

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Children can gain points between 7.30 am and 7.30pm on Friday 6th February but once the player goes beyond 60-minutes of play on that day, they will still earn coins for themselves but will no longer earn points towards the competition.

If your child does wish to dress as a Rockstar, or come in their non-uniform clothes, please ensure their outfit is appropriate for school and the weather and includes suitable shoes to allow your child to play and move around school safely.

If you have any questions, please ask your child's teacher.

Yours sincerely,

Mrs Claire Belfield
