Homework Club – Starting Friday 15th September

Dear Parents/Carers,

All children in Key Stage 2 are being given differentiated homework this year, which is to be completed on a weekly basis. We have taken the decision to continue this as it gives the children the opportunity to reinforce and practise skills learnt in school across the year and also helps them to develop their skills with spelling, reading, mathematical reasoning and basic problem solving, which are essential for them to progress and achieve well.

In order to support this we are very excited to inform you that this year we will be offering a homework club on a Friday after school with myself, Mr Wheelwright and Mr Simpson, who will be available to support the children in completing their homework. It will be a further opportunity for children to develop their learning and to address any misunderstandings.

Could you please indicate on the form, following the link below, whether your child would like to attend and whether they are allowed to walk home alone or will be collected from the main school office at 4.15pm (please note that all children must be collected from the main entrance between October and February half terms). There are only a limited number of places and these will be allocated on a first come first serve basis. If the club is oversubscribed, there will be a reserve list in case places later become available.

Please note - The first 25 people to complete the form will be guaranteed a place at the club to start on **Friday 15th September**. Those completing the form after this will be placed on a reserve list for when places open up later on in the year. An email confirmation will be sent to all those who are successful in gaining a place in the first instance.

Yours sincerely

Mr J Wheelwright

Please click on the link below to complete the online form to give permission for your child to attend the Homework Club.
