Homework Club – Starting Friday 13th September

Dear Parents/Carers,

All children in Key Stage 2 will continue to receive differentiated homework this year, which is to be completed on a weekly basis. The homework provides a valuable opportunity to reinforce and practise skills learnt from across the school year and also helps to develop their skills in spelling, reading, mathematical reasoning and basic problem solving, which are essential for them to progress and achieve well.

In order to support this, we can confirm that we will be continuing to offer a homework club on a Friday after school with Mr Simpson, who will be available to support children in completing their homework and help them to address any misconceptions.

Could you please indicate on the form if your child would like to attend and whether they are allowed to walk home alone or will be collected from the main school office at 4.15pm. (Please note that all children **must** be collected from the main entrance between October and February half term due to the darker evenings.) There are only a limited number of places and these will be allocated on a first come first serve basis. If the club is oversubscribed, there will be a reserve list in case places become available later in the year. The form can be accessed via the link below:

<https://forms.office.com/e/e9AhcLYJQe>

Please note – If your child is successful in securing one of the places at Homework Club you will receive an email confirmation. Anyone unsuccessful in receiving a place initially will be placed on a reserve list for if places open up later on in the year.

Yours sincerely

Mrs E. Sanderson
