Adastra Y6 After School Club

Dear Parents and Carers

We are delighted to announce that this year we are continuing to work with Adastra to support our Y6 children. We are excited to provide you with details of their after school club, which is available to all Y6 children from now until Christmas. Michelle and Rachael have planned a series of activities to support well-being and preparation for secondary school. The sessions will include a variety of activities such as crafts, dance, problem solving and team building.

The sessions will run every Tuesday from 3.20-4.45pm from next Tuesday, 16th September until Christmas. There will be light refreshments included. With your permission, your child may walk home alone up until October half term but for the November and December sessions they MUST be collected at 4.45pm for their safety due to the darker evenings. If you wish for your child to attend, please complete the form via the online link below.

<https://forms.office.com/e/UJqgGgFpPM>

We very much hope your child will be able to participate and join the sessions. As part of the activities, Michelle and Rachael will also begin to support your child in their preparation for secondary school and we think this will be very beneficial and complement the work we already do in school.

Your sincerely

Mrs Sanderson
