24th November 2025

Dear Parents and Carers

We are writing to inform you of an important change to the access arrangements for F1 (Nursery).

With effect from **today, Monday 24th November**, all access to F1 for **both drop off and pick up**, in the **morning and afternoon**, will be via the newly installed gate located on the path that runs from the side of the EYFS building to the back gate (see photo below).

Please note that there will be **no access to F1 via the F2 playground at any time**. This entrance will no longer be in use for Nursery families.

At morning Nursery pick up time and afternoon Nursery drop off, parents and carers should continue to wait outside the EYFS building, by the silver gate at the side of the building. A member of staff will open this gate at the appropriate time to allow you access to the new F1 entrance.

We appreciate your cooperation and support as we put these improved arrangements in place to ensure smooth, safe access for all of our children and families.

If you have any questions, please do not hesitate to contact us.

Kind regards,

The EYFS Team
