Deputy Headteacher: Mr J. Wheelwright

20<sup>th</sup> March 2023

Dear Parents / Carers,

In line with guidance for schools, I have today spoken with Public Health as we have a very small number (single figures) of scarlet fever cases in school. Public Health have advised sending out an informative letter provided by themselves, which is also attached to this email. I would appreciate it if you would take the time to read their letter as it contains useful information. Please be aware that, at the moment, no further action is required and Public Health are not concerned as the number of cases in school is in line with what is expected for schools of our size.

We continue to encourage and promote good personal hygiene within school to limit the spread of any illnesses and infections. If you have any concerns about your child's health, please seek medical advice either via a GP appointment or a local pharmacy as they can be a useful source of information too.

Yours sincerely

Mrs E. Sanderson
