Dear Parents and Carers,

I am writing to you regarding concerns that have been brought to our attention once again by residents of Wingfield Road regarding parking at school drop-off and collection times. Unfortunately, we have received further complaints about driveways being blocked by inconsiderate parking, causing significant inconvenience to our neighbours.

While we understand that parking can be challenging at busy times, we kindly ask that all parents and carers show consideration when parking near the school. Blocking driveways not only causes frustration for residents but can also create unnecessary congestion and safety hazards for pedestrians and other road users.

We respectfully request that you avoid parking in a way that obstructs driveways and instead seek alternative, legal, and considerate parking options. If possible, we encourage walking or cycling to help ease congestion around the school.

We greatly appreciate your cooperation in ensuring that we maintain positive relationships with our local community. Thank you for your understanding and support in making the school environment safer and more accessible for everyone.

Yours sincerely,

Mrs E. Sanderson  
Headteacher
