Dear Parents / Carers,

### **COST OF LIVING HELP & ADVICE**

Barnsley Council have organised a number of workshops that are aimed at people and/or families that may be finding it difficult to meet the current costs of living.

The workshops provide information about eligibility for benefits and grants. They also include schemes aimed at reducing costs, living in warm and energy efficient homes or clearing some utility debts. The workshops are free and are delivered remotely via Microsoft Teams or Zoom. If you do not have a device to use, we can arrange for you to access the workshop on a device within school.

There are currently places available on the following workshops –

- **Energy and Fuel Poverty, delivered by the Citizens Advice Bureau –**
  - 13 December 2022 from 12:00 pm until 1:30 pm
  - 31 January 2023 from 12:00 pm to 1.30 pm
- **4 Ways to Financial Support and Eligibility, delivered by the Department for Work and Pensions -**
