Dear Parents/ Carers

We are extremely pleased to share that Barnsley Council's Sport and Physical Activity Team are offering a Learn to Ride session for those children in Year 5 who cannot yet ride a bike.

The session will take place after school on the playground and lasts approximately 1hr 30 mins. The team can bring bikes and helmets with them in case any children don't have their own, but they do advise that children use their own bike if they have it.

Our session will be straight after school on Tuesday 11<sup>th</sup> March. Those children who attend, who are bringing their own bike and helmet, will need to bring them to the bike shed at the beginning of the school day where they will be kept during the day until the session starts after school. The session will end at 4:45pm when children and their bikes can be collected from the main reception or they will be allowed to walk home alone.

If you would like your child to take part in this session, please complete the form which is available on the following link, by Friday 7<sup>th</sup> March 2025.
