

WELCOME TO CLASS 8

It has been great getting back into the swing of things with the children and they have all been working incredibly hard. Here is a newsletter with some useful information.

Miss Scholes 😊

PE

Our PE days are **Thursday and Friday**

Please ensure your child has a suitable kit (including footwear). PE kit is a white top and dark shorts or bottoms. In cooler weather, they can also bring a hoodie/jumper.

LIBRARY

We do not have an allocated library slot but the children can change their book whenever they need a new one.

I also have a fantastic collection of books, at the back of my classroom, that the children can borrow whenever they want.

HOMEWORK

Homework is given out every **Friday** and to be returned every **Friday**.

Spelling – Every word to be written out 5 times in their spelling homework book. They also need to choose five words, from the list, and write these words in a sentence.

Maths – One full page - which includes section A, B & C

Reading – Read at least 3 times a week and note this down in their Reading Record.

All homework needs to be returned every **Friday**. If all homework is not completed, the expectation is that your child will stay in that break time to complete what they haven't done.

SPELLING SHED

Please encourage your child to log on to their spelling shed account and play the games at home.

Being a confident speller, makes a big difference to writing across the curriculum.

We have attached your child's login slip for this to ensure they can get on at home.

TT ROCKSTARS

Please find attached your child's login for times table rock stars, which we use in school to help improve times table recall.

Please encourage your child to log on at home. We have a weekly challenge in class to see who can beat their score and make it onto the leader board!
