Computing Code Club – Starting Thursday 22nd February 2024

Dear Parents/Carers,

I will be running a computing code club for **Year 1 and 2 children** every Thursday from 3.20pm. It will finish at 4.20pm. It will run until **Thursday 21st March**

Your child will learn about how to use the computer program scratch to make different projects and games.

Could you please indicate on the form, following the link below, if your child would like to attend? Your child will have to be collected from the school office at 4.20 pm. There are only a limited number of places and these will be allocated on a first come first serve basis. If the club is oversubscribed, there will be a reserve list in case places become available later. You will be notified by email if your child has a place or not.

Please note - The first 15 people to complete the form will be guaranteed a place at the club to start on **Thursday 22nd February**. Those completing the form after this will be placed on a reserve list for if any places open up. Please respond by **12PM Friday 2nd February**.

Yours sincerely,

Mr Balmforth

Please click on the link below to complete the online form to give permission for your child to attend Code Club.
