Dear Parents/ Carers

Throughout the year, we complete a number of pieces of writing in all areas of the curriculum and in order to get the children engaged and enthused about their work, we not only read books but sometimes watch films/part of films. This really does help children to fully understand what we are writing about. However, some of the films that we may need to watch have been awarded PG (Parental Guidance required). I have seen all of these films myself, therefore checking that they are appropriate, and many of the children have said they have already seen them but for me to be able to show these to your children, in school, I need your permission. The films are ones such as Harry Potter, Holes, Carrie's War etc. These are all children's films but again as PG is awarded, it is your permission I need. Could you please complete the online form to say whether you give permission or not. If you require any further information, please don't hesitate to contact school and ask.

We look forward to making our learning exciting and interesting by watching these films and clips.

Many thanks,

Mrs Webb
