F2 Sports Day Arrangements - Falcons

Dear Parents / Carers,

On Wednesday 1st July we will be holding a mini Sports Day for children in F2 and we look forward to welcoming you. Please read the information below carefully with regard to arrangements and timings for the day.

The children will be competing in their teams so, if possible, it would be helpful if your child could wear a t-shirt in the colour of their team. If you do not have a suitable coloured t-shirt, please DO NOT worry and do not feel you have to purchase one as your child can wear white and we have an abundance of coloured bibs that they can borrow on the day. For your information, your child is a **Falcon** and their t-shirt/top colour is **BLUE**. Your child should also wear their outdoor P.E. kit which includes black shorts and trainers or pumps. Your child **should come to school in their PE kit** so they are ready for the start of the event.

F2 sports day will be held on the main school field and will begin at **9.15am.**

Access to Sports day will be either through the back gate, or if attending from Wakefield Road, please access via the gate at the side of the EYFS building. Both gates will be opened 5-10 minutes **before** the start time and **closed** once F2 sports day begins. Please note the gates will then be locked and only opened at the end of the event, so once you are on site, you will need to stay on site. This is to ensure we can ensure the safety of our site at all times.

Parents and Carers will have a designated area of the field with a trackside view and with only F2 competing you will have a good view. Please be aware that, as in previous years, we will not be providing seating, but you are more than welcome to bring a fold up camping chair or picnic rug if you wish to sit down. All children and staff will be sat at the opposite side of the track in their teams. Parents and Carers are requested to stay at their side of the track and **at no point during the event will Parents/Carers be permitted to access the area where the children will be seated**. We would also ask that you do not enter the area by the start or finish, this is a **staff only area**. This is for safeguarding reasons. Please note that in attending this event you are agreeing to adhere to these guidelines. Failure to do so could result in you being requested to leave the site.

We are all aware of the unpredictability of the English weather, so please be prepared for all eventualities. Whatever the weather, it is essential that your child brings a water bottle on the day. We would also ask that your child has sun cream applied before coming to school and that they wear a hat, particularly if the weather is warm and sunny.

We are very much looking forward to F2 Sports Day and hope you are able to join us.

Yours sincerely

Mrs E. Sanderson
