

WELCOME TO CLASS 5

Here is a newsletter with some useful information for you that you will need to know.

Miss Jewkes and Mrs Gollick 😊

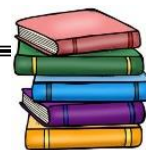

PE

Our PE days are **Tuesday** (For Y3 only as the Y4s will be going swimming) and **Wednesday** (Year 3 and 4).

Please ensure your child has a suitable kit (including footwear). PE kit is a white top and dark shorts or trousers. In cooler weather, they can also bring a hoodie/jumper.

LIBRARY

Our library slot is **Monday** Please encourage your child to return their book **every week** so it can be renewed (if reading a longer book) or swapped for another good read if they have finished it.

HOMEWORK - given out every **Friday** and to be returned every **Thursday**.

Spelling – Every word to be written out 5 times in their spelling homework book. Please try writing a few sentences using the week's spellings to help your child use the words in context.

Maths – One full page - which includes section A, B & C. Please allow your child to do this independently where possible. If they are finding it tricky, please make a note of where you have helped.

Reading – Please try to read 3 times a week and note this down in their reading record.

All homework needs to be returned every **Thursday**. If any homework is not completed by **Friday**, the school expectation is that your child will stay in during Friday break time to complete what they haven't done.

If your child completes all of their homework on time, they will receive a raffle ticket. These raffle tickets build up over the half term and then 5 tickets are drawn at random and given prizes. The more your child does this, the greater chance they will have of winning a prize!

SPELLING SHED

Please encourage your child to log on to their spelling shed account and play the games at home.

Being a confident speller, makes a big difference to writing across the curriculum.

Please find your child's login slip for this in their reading record.

TT ROCKSTARS

Please find your child's login for TT Rockstars in their reading record book.

Please encourage your child to log on at home to help improve their times table recall. We have a weekly challenge in class to see who can beat their score and make it onto the leader board!
