Using Tapestry

Dear Parents and Carers,

Please find below information regarding signing up to Tapestry, our online platform. You can use Tapestry to upload photographs and media of your child's experiences outside of school and anything that you and your child are really proud of. Photographs and observations will only be shared with the child's parents/carers via Tapestry and staff in school. We ask that you only share images of your child/immediate family. If we have not got your email address, please can you make sure you update this at the School Office and let Miss Pell know so an email can be sent out.

For further support and information Tapestry have their own Parent and Carers page - <https://tapestry.info/parents-carers.html>
