Parent / Carer Questionnaire Autumn 2022

Dear Parents / Carers,

At Athersley South we believe very strongly that the voice of children, parents and carers is important in ensuring we are delivering a learning experience of the highest quality. Periodically, as part of this process, we carry out surveys in order to get a clear idea about views on all aspects of school life which we really find useful. Pupils in school are currently in the process of completing pupil questionnaires, but this is your opportunity to give your opinion and participate fully in the evaluation process.

We would very much appreciate it if you could take a few minutes of your time to complete an online questionnaire via this link <https://forms.office.com/r/ETvJvN3pvA> The link for the form will be open until 3pm on Friday 18th November. Please note there is no requirement to put your name on your return but it is helpful if you could indicate your child's year group. If you have more than one child, please only complete the form once and indicate the multiple year groups as appropriate via the last question.

Once the form closes, we will analyse your responses so we can identify areas you consider to be strengths and those where you think we can do better. We will of course report back in full on the outcomes of the survey and this information will be sent to yourselves after the results have been analysed and evaluated.

Thank you in anticipation for taking part.

Yours sincerely

Mrs E. Sanderson
