### INSET Day Update

Dear Parents/Carers,

I am writing to you to inform you of the alteration of the INSET day which was originally planned for Monday 22<sup>nd</sup> February 2021.

We have taken the decision to postpone this INSET day and instead to open for those children currently attending school. This decision has been taken for two reasons. As a school it offers us the option to hold a more purposeful day of continuing professional development (CPD) for our staff at a later date as in the current climate our options have been limited. In addition, in recognition of the difficulties faced by Parents/Carers at this time, we feel it would be more beneficial to open on Monday 22<sup>nd</sup> February.

The INSET day will now be moved to Friday 26<sup>th</sup> March and so school will be closed on that day to all pupils, but open for staff training.

I apologise for any inconvenience this may cause and thank you for your ongoing support.

Yours faithfully

Mrs E. Sanderson
