Update for Week Commencing 22nd November

Dear Parents/Carers,

As detailed in the letter previously sent out, our FS2 class will be relocating to the hall next week while essential works are carried out in the Foundation Stage building. Please see below the details for the start and end of the school day.

Start of the school day – 8:50am - Children will enter the hall from the door on the Key Stage One playground. A member of staff will stand at the Foundation Stage Unit and show you where to go if you are unsure.

Home Time – 3:00pm – If your child is in Miss Reynolds' key group, then they will need to be collected from the hall from the Key Stage One playground. (Same door as the morning)

If your child is in Miss Pell's key group, then they will be collected from the side door that leads on to the car park. The car park will be made secure so parents can wait for their child and no cars will be allowed to travel within that area at home time.

We understand that this is a big change for your child, we aim to keep the disruption to a minimum by keeping your child's learning routine the same. We apologise in advance for any inconvenience this may cause.

Thank you for your continued support and understanding,

EYFS Team
