World Book Day

Dear Parents/Carers,

March 4th is World Book Day. It seems to come around more quickly every year.

As you will appreciate, this year has been unusual and because of all that is going on our decision on how to celebrate World Book Day has been taken later than we would usually do.

We would like to make the day a non-uniform day for those children in school, but if your child would like to dress up as a favourite book character that would be lovely. If you do decide to dress up, given the situation with the Covid virus, please do not feel that you have to go out and buy a costume. A home-made costume would be great. We are also excited about a special themed lunch menu available that day, which has already been communicated to you.

Even those of you home schooling can dress up for the day if you want and post a picture for us all to see on Seesaw. We love to display the pictures in our school library every year.

If you are at home, we would love you to celebrate the day by sharing a great book with your children as we will in school.

Some of the teachers are planning a little surprise for you. They are planning to have a Masked Reader competition. School staff will disguise themselves and read part of a favourite book and you have to try to identify them. We hope that it will be lots of fun laughing at us and hearing stories.

Many thanks

Mrs Twist
