EYFS Parents and Carers

Dear Parents/Carers,

Please can I politely remind and ask you to follow the systems we have in place at school in our attempts to maintain a Covid safe environment for all. In particular I would draw your attention to the following information:

- We have a one way system in place around the school site. This should be adhered to by all Parents. I fully appreciate that when you leave the EYFS building there is a temptation to head straight back down the drive towards Wakefield Road, however I would appreciate your co-operation in following the one way system around the school grounds. This is part of our risk assessment, in reducing contacts. The only exception to the rule is when Parents of F1 children are collecting at 11.45am or dropping off at 12.10pm, as the school site is not accessible at this time and there are significantly reduced numbers of adults on site.
- We ask that only one adult accompanies a child onto the school grounds. Again this is to minimise the number of people on site at any one time to protect everyone.
- The school drive is accessible for pedestrians between 8.35 and 8.55 in the morning and again between 2.45 and 3.05 in the afternoon. Please only use the school drive at these times and if you are a blue badge holder please be aware that you must use the drive outside of these times.

I know that we continue to navigate challenging times and thank everyone for their ongoing support and co-operation as we all work together to stay as safe as we can be and to protect one another.

Please take care and stay safe.

Mrs E. Sanderson
