Deputy Headteacher: Mr J. Wheelwright

Dear Parents / Carers,

The Year 3/4 team are incredibly excited to announce that we are going to be visiting the National Coal Mining Museum on Wednesday 8th June(Y3) or Thursday 9th June(Y4)! For most children, it has been over 2 years since they last went on a school trip and we cannot wait.

In Science, the children are currently learning about Rocks, Fossils and Soils and we hope that by visiting the National Coal Mining Museum, we can add to our expanding knowledge.

The cost of this trip is: £5.00. Please note that the cost of this trip has been heavily subsidised by school as the actual cost was over £10.00 per child. Payment is by **Parent Pay ONLY**. If you have any issues with this, please visit the office who will be able to help you. No cash will be accepted. The final date for payment is **Friday 20th May.**

As with all trips, the total of £5.00 is a voluntary donation but without the funds, the trip will be unable to go ahead and would have to be cancelled.

The children will be leaving after morning registration and will be getting back before the end of the school day. On the day, your child will need to be in school uniform and bring a packed lunch. If your child receives free school meals, and you would like school to provide one, just tick the box on the online form (link provided below).

As part of our continued commitment to paperless communication, we are asking you to complete the permission form for your child electronically via a very simple form that should take you no more than 5 minutes. Please ensure you complete all questions. The form can be accessed using the following link and we would ask that you do so to enable your child to participate on the visit:

<https://forms.office.com/r/QYYuH85yUr>

We have attached an itinerary for the day and the website link should you want to know more. If you have any questions, please do not hesitate to contact your child's class teacher.

Thank you for your continued support,

The Year 3/4 team.
