Special Educational Needs and Disability

Dear Parents/Carers,

I am pleased to inform you that there is now a new tab on our school website. This is under the 'Parents' tab and is named **SEND resources/Updates**. Here you will find lots of useful information linking to special educational needs and disability such as useful/free resources and courses that can be accessed to support your child. This is in addition to the SEND information tab – which can be found under 'School Information'.

The page will be updated regularly to provide parents/carers with the most up to date support from a range of services. Equally, if you feel there is a service or resource that other parents would benefit from knowing about or you require any further information or support please do not hesitate to contact myself or Miss Pell.

Yours sincerely,

Miss Pell and Mrs Gollick
