Access to Online Learning

Date: 7th January 2021

Dear Parent/Carer

We are writing to you to offer further support with access to remote learning.

If your child is struggling to access online learning to the full, we would like to offer the opportunity to be provided with a school resource pack (including paper, workbooks, pencils, etc). This will make it possible for work set on Seesaw to be completed on paper and for photographs of finished work to be uploaded to Seesaw, in order to enable timely marking and feedback.

Also, if you are struggling for data capacity / limited internet access which you feel restricts your child/ren in accessing the remote learning, please contact school and we will endeavour to support you in resolving this as we have a number of ways in which we might be able to do this.

Yours sincerely

Mrs E. Sanderson
